INDEX: Volume 102

Acalypta, lace bug genus in Mexico 179
Acalypta laurae, n.sp. 179
Acanthametropodidae 205
Acanthametropus, comparison of Old & New World, & other psammophilus mayflies 205
A.E.S. meeting reports 24, 36, 112, 124, 129
Akre, R.D. 227
Anisoptera 37
Announcements 72, 94, 164
Araneae 137
Arbogast, R.T. 33
Iden. of *Cryptolestes ferrugineus* & *C. pusillus*: a practical character for sorting large samples by species
Arthropods assoc'd. with gopher tortoise burrows in MS, a survey of 1
Arthropods, improved technique for collecting large samples of 97
Asis, J.D. 42
Aulacus, a n.sp. of, from VA 187

Barratt, B.I.P. 200
Bell, R.T. 173
Bembidion obtusum, revised distrib. in east. No. Amer. 173
Bezzia larvae, predation on mosquito larvae 183
Bolton, M.J. 125
Iden. of Chironomini genus C in Pinder & Reiss
Book reviews 191, 253, 254, 255
Books rec'd. & briefly noted 96
Braconidae 42
Brower, J.H. 231
Potential host range & performance of a reportedly monophagous parasitoid, *Pteromalus cerealellae*
Byers, R.A., B.I.P. Barratt 200
Behavior of slugs, *Derocerus reticulatum* & crickets, *Gryllus pennsylvanicus* on seedling alfalfa

Calliscarta, add's. to genus 195
Carabidae 173
Catocala fauna, hickory feeding, in absence of *Carya ovata* in so. NJ 165
Ceratopogonidae 183
Chelifer communis var. *pennsylvanicus*, iden. of 79
Chernetidae 79
Chironomidae 47, 125
Chironomini genus C, iden. of, in Pinder & Reiss 125
Cicadellidae 195
Coleoptera 19, 33, 57, 73, 90, 173, 215
Conn, D.B., S.A. Marshall 127
Microdistrib. of scavenging flies in relation to detritus & guano deposits in a KY bat cave
Corydalidae 25
Corydalus cornutus, distrib. records of, in CO 25
Crytolestes ferrugineus & *C. pusillus*, iden. of a practical character for sorting large samples by species 33
Cucijidae 33, 57
Culicidae 183

Davis, H.L. 25
Day, W.H. 113
Peculiar sex ratio & dimorphism of the garden fleahopper, *Halticus bractatus*
Derocerus reticulatum, behavior of, on seedling alfalfa 200
Diptera 47, 125, 183, 192, 223
Dolichovespula maculata predation on adult gypsy moths 14
Drosophila canaryana, jr. synonym of *D. guanche* 223
Drosophilidae 223
Dryopoidea 236

Dunkle, S.W. 37
Head damage from mating attempts in dragonflies

Easton, E.R. 105
Annotated list of insects of Macau

Edwards, E.H. 137

Edwards, R.L., E.H. Edwards 137
Spiders associated with rural delivery mailboxes in Mashpee, MA

Elateridae 73

Elmidae 236

Ephemeroptera 205

Erotylidae, fungal host records for, in Amer. no. of Mex. 57

Formicidae 118

Freytag, P.H. 195
Add's. to genus *Calliscarta*

Froeschner, R.C. 179
Lacebug genus *Acalypta* in Mexico: key & n.sp. *A. laurae*

Fustiger knausii, behavioral observations on, with a discussion of grasping notches in myrmecophiles 215

Galford, J.R. 90

Garcia Aldrete, A.N. 133

Gasteruptionidae 187

Gastropoda 200

Gayubo, S.F. 42

Goeldichironomus amazonicus, a potentially pestiferous midge recently discovered in Calif. 47

Goodrich, M.A. 57

Grimaldi, D. 223
Drosophila canaryana a jr. synonym of *D. guanche*

Gryllidae *200*

Gryllus pennsylvanicus, behavior of, on seedling alfalfa 200

Halticus bractatus, peculiar sex ratio & dimorphism of this garden fleahopper 113

Head damage from mating attempts in dragonflies 37

Hemiptera 113

Herrmann, S.J., H.L. Davis 25
Distrib. records of *Corydalus cornutus* in CO

Heteroptera 31, 179

Hoebeke, E.R. 19
Sunius melanocephalus, a Palearctic rove beetle new to No. Amer.

Hoebeke, E.R., J.K. Liebherr, R.T. Bell 173
Revised distrib. of immigrant carabid, *Bembidion obtusum* in east. No. Amer.

Homoptera 195

Hribar, L.J., G.R. Mullen 183
Predation by *Bezzia* larvae on mosquito larvae

Hymenoptera 14, 42, 118, 187, 227, 231

Idiasta, n.sp. of from Spain 42

Jeng, M.-L., P.-S. Yang 236
Elmidae of Taiwan: two n.sp. of *Stenelmis*, with notes on the *S. hisamatsui* group

Kumar, R. 150

Lago, P.K. 1
Survey of arthropods assoc'd. with gopher tortoise burrows in MS

Lariviere, M.-C., A. Larochelle 31
Notes on distrib. & bionomics of *Myodocha serripes*

Larochelle, A. 31

Lavigne, R., R. Kumar, J.A. Scott 150
Add's. to Pawnee Nat'l. Grasslands insect checklist

Lepidoptera 130, 165
LeSage, L. 97
An improved technique for collecting large samples of arthropods
Leschen, R.A.B. 57
Leschen, R.A.B. 215
Behavioral observations on myrmecophile, *Fustiger knausii*, with discussion of grasping notches
Liebherr, J.H. 173
Limacidae 200
Lustrochernes, descrip. of a n.sp. 79
Lutzomyia, distrib. records for some N. Amer. sp. 192
Lygaeidae 31

Macau, annotated list of insects of 105
Mailing dates for Vol. 102, 1991 260
Marshall, S.A. 127
McCabe, T.L., D.F. Schweitzer 130
Rhizedra lutosa newly introduced to No. Amer.
McCafferty, W.P. 205
Comparison of Old & New World *Acanthametropus*, & other psammophilous mayflies
McHugh, C.P. 192
Distrib. records for some No. Amer. sand flies
Megaloptera 25, 50
Miridae 113
Mockford, E.L., A.N. Garcia Aldrete 133
Rhyopsocus texanus: its synonymy, forms & distrib.
Muchmore, W.B. 79
Iden. of *Chelifer communis* var. *pennsylvanicus* & descrip. of a n.sp. of *Lustrochernes*
Mulla, M.S. 47
Mullen, G.R. 183
Myodocha serripes, notes on distrib. & bionomics of 31
Myrmecophiles, discussion of grasping notches in 215

Neohypdonus, two n.sp. of, from No. Amer., with key to Nearctic sp. 73
Nitidulidae 90
Noctuidae 130, 165

Odonata 37
Orthoptera 200

Paulson, G.S., R.D. Akre 227
Parasitic Hymenoptera collected from a pear orchard under organic management in Washington State
Pawnee Nat'l. Grasslands insect checklist, add's. to 150
Pogonomyrmex salinus, movement of gravel by this owyhee harvester ant 118
Predation by *Bezzia* larvae on mosquito larvae 183
Predation by *Dolichovespula maculata* on adult gypsy moths 14
Pselaphidae 215
Pseudoscorpionida 79
Psocoptera 133
Psoquillidae 133
Psychodidae 192
Pteromalidae 231
Pteromalus cerealellae, potential host range & performance of 231
Publisher's statement 256
Purrington, F.F. 90

Reynolds, T.D. 118
Movement of gravel by the owyhee harvester ant, *Pogonomyrmex salinus*
Rhizedra lutosa, newly introduced in No. Amer. 130
Rhyopsocus texanus: its synonymy, forms, & distrib. 133

Scavenging flies, microdistrib. of, in relation to detritus & guano deposits in a KY bat cave 127

Schaefer, P.W. 14
Predation by *Dolichovespula maculata* on adult gypsy moths

Schweitzer, D.F. 130

Schweitzer, D.F. 165
Hickory feeding *Catocala* fauna in absence of *Carya ovata* in so. NJ

Scott, J.A. 150

Sialidae 50

Sialis, distrib. study of, in No. Amer. 50

Skelley, P.E., M.A. Goodrich, R.A.B. Leschen 57
Fungal host records for Erotylidae of Amer. no. of Mexico

Smith, D.R. 187

Society (A.E.S.) meeting reports 24, 36, 112, 124, 129

Spiders associated with rural delivery mailboxes in Mashpee, Maine 137

Staphylinidae 19

Stelidota, parasites of 90

Stenelmis, two n.sp., with notes on *S. hisamatsui* group 236

Steyskal, G.C. 95
On the meaning of the term trichobothrium

Sublette, J.E., M.S. Mulla 47
Goeldichironumus amazonicus, a potentially pestiferous midge recently discovered in CA

Sunius melanocephalus, a Palearctic rove beetle new to No. Amer. 19

Tingidae 179

Tormos, J., S.F. Gayubo, J.D. Asis 42
N.sp. *Idiasta* from Spain

Trichobothrium, on the meaning of 95

Vespidae 14

Wells, S.A. 73
Two n.sp. *Neohypdonus* from No. Amer., with a key to Nearctic sp.

Whiting, M.F. 50
Distrib. study of *Sialis* in No. Amer.

Williams, R.N., J.R. Galford, F.F. Purrington 90
Parasites of *Stelidota*

Yang, P.-S. 236

MAILING DATES
VOLUME 102, 1991
